

Truro Agricultural Fair 2016 Educator’s Application Form

Deadline: 7/30/16. Mail to: Sustainable CAPE, PO Box 988, Truro, MA 02666

The Truro Agricultural Fair celebrates Barnstable County’s agriculture and educates about the health of our bodies, community and environment. In the spirit of collaboration we invite you to join us in encouraging each of our fairgoers to support our local food system, community health and/or environmental sustainability. *We hope to see you at the fair!*

The Specifics:

DATE: Sunday, September 4, 2016

TIME: Set Up: 7am – 8:30 (Cars must be off field by 8:30) Fair: 10am - 3pm Clean up: 3pm – 4pm

COST: Free

ADDRESS: 6 Truro Center Rd, Truro, MA 02666 (Across from the Post Office)

YOU PROVIDE: table, seating and shade if desired (umbrella or tent), display, educational materials, interactive activities/games, sunscreen. Note: Tents must be secured – bear in mind, most spaces are on the road, so stakes won’t work. Please bring weights for stabilization. Gallon water jugs bungied to the corners of tents work if you don’t have weights.

WE PROVIDE: A 10’ x 10’ space and a fun day! (More space may be available upon request.)

BOOTHS SHOULD BE:

- **Educational** – Informational booths will explain some aspect of your organization’s work that relates to the sustainability of our environment or food system.
- **Interactive** - Each booth must engage the public with an interactive display. (For instance, the beekeepers have a demo beehive in glass where children & adults play “Find the Queen”, the composting table runs hourly demos, etc.)
- **A Call to Action** - Each booth must suggest an action a person could take to ensure the future health of Cape Cod – “What You Can Do”: (for instance don’t use pesticides on flowers to ensure the bees’ health, compost your table scraps to reduce waste, etc.)

ACCEPTANCE: Educators will be accepted on a space-available basis. Prior collaborators have preference. If accepted, you will be notified by August 10, 2015

Please Complete 2 pages & postmark by 7/30/16 (address above):

Educator Name(s): _____

Organization: _____

Physical Address: _____

Mailing Address: _____

Cell Phone: _____ Email: _____

Website Address: _____

What topic will your educational booth cover?

How will this topic relate to the sustainability of local food system, health and/or environment?

Briefly describe your interactive activity. Note whether it is focused on children, adults, or both

Will your activity be scheduled?

No Yes If yes, what time(s): _____

Would you like to request more room (for instance for a child’s relay race)?

No Yes If yes, please explain: _____

Based on your booth’s educational focus, what action(s) will you suggest fairgoers could take?

Note: In the spirit of our mission, only local food items may be sold at the fair by local food harvesters and/or local restaurants with prior permission of both Sustainable CAPE and the Truro Board of Health. No other items may be sold by participants.

I understand that there cannot be any money exchanged at educational booths nor any items sold, but that we may offer membership information, have sign-ups for mailing lists, and give away promotional and educational items.
