Sustainable CAPE, with the help of local children, creates an Ed Board for each fulltime vendor but we need your input. Please help by taking a few minutes to give us some information that relates to your product/business. Fulltime vendors only, Part-time / Tabletop vendors please use for reference to create your own materials for display

**Education Board Information:**

**I. Top Half of Education Board: Vendor Information (i.e. the farm/farmer info & picture)**

Check ONE :  No change necessary to my vendor information. (Ideally it stays the same year to year)

I am a new full-time vendor and do not have an Ed Board yet.

I'm a part-time/tabletop vendor. I will create my own ed display for the market.

My Ed Board vendor info needs updating (If you've moved/ changed names / etc.)

How? \_\_\_\_\_

**II. Bottom Half of Ed Board: "Did You Know?" (NEW INFO every year so we may continue to educate!)**

Note: In this short education we include 2 points: (#1) A clear link to one of your products, methods or place of business which is tied to (#2) something each consumer can learn and incorporate into their lives to make the world more sustainable.

Example: "Because sea salt is made from seawater, it's important that the ocean stays clean. Each of us can take care of our beaches and ocean by cleaning up after ourselves, picking up trash, and participating in local beach cleanups."

• What are some unique things you can tell us about your methods or product?: \_\_\_\_\_

\_\_\_\_\_

• Can you describe sustainable practices that you use?: \_\_\_\_\_

\_\_\_\_\_

• Can you think of some things a customer could do to preserve the environment that supports your product?: \_\_\_\_\_
