Truro Educational Farmers Market: Vendor Registration Form, p.2 of 2

Sustainable CAPE, with the help of local children, creates an Ed Board for each fulltime vendor but we need your input. Please help by taking a few minutes to give us some information that relates to your product/business. Fulltime vendors only, Part-time / Tabletop vendors please use for reference to create your own materials for display

Vendor & Farm Name: _____

Payee Name for Checks: _____

Website : _____

Phone & email: _____

Education Board Information:

I. Top Half of Education Board: Vendor Information (i.e. the farm/farmer info & picture)

Check ONE : No change necessary to my vendor information. (Ideally it stays the same year to year)

I am a new full-time vendor and do not have an Ed Board yet.

I'm a part-time/tabletop vendor. I will create my own ed display for the market.

My Ed Board vendor info needs updating (If you've moved/ changed names / etc.)

How? _____

II. Bottom Half of Ed Board: "Did You Know?" (NEW INFO every year so we may continue to educate!)

Note: In this short education we include 2 points: (#1) A clear link to one of your products, methods or place of business which is tied to (#2) something each consumer can learn and incorporate into their lives to make the world more sustainable.

Example: "Because sea salt is made from seawater, it's important that the ocean stays clean. Each of us can take care of our beaches and ocean by cleaning up after ourselves, picking up trash, and participating in local beach cleanups."

• What are some unique things you can tell us about your methods or product?: _____

• Can you describe sustainable practices that you use?: _____

• Can you think of some things a customer could do to preserve the environment that supports your product?: _____

SUSTAINABLE CAPE ON-SITE VENDOR SAFETY RULES

General

- o Canopy weights on all tent legs and/or umbrella securely weighted or attached EACH DAY regardless of weather (as weather can change quickly).
- o Booth set up with regard for public safety. Tables should not be loaded beyond capacity.
- o All components of the booth are contained within the boundaries of the booth.
- o Display set up so that people cannot trip over elements of your booth.
- o Signage with the name and location of the business is clear and visible.
- o All product PRICES are CLEARLY POSTED.

Food safety

- o Food is stored/displayed off the ground (6") or in impervious plastic tubs.
- o If product is not produce, it should be wrapped or covered.
- o All packaged food is labeled with name of the product, net weight, ingredients in descending order by weight, and name and address of producer (bulk foods must post a sign with this information OR a sign indicating that the info is available upon request).
- o Potentially hazardous perishable foods, stored, displayed and offered for sale are packaged and refrigerated at or below 41 degrees F and vendor has a calibrated thermometer to gauge and demonstrate temperature.

Miscellaneous

- o If using electricity, you have checked with us and gotten permission to use the outlet (so as not to set our SNAP machine or other into a non-functioning state!). Any cords you plug in are covered and set up with regard for public safety by vendor (appropriate mats, no ability to trip on them, etc.).
- o If anything a vendor sells or distributes produces trash, the vendor has a trashcan available for customer use and transports.
- o If vendor claims products are organic, OG certification is posted.
- o No driving or cars on field during market hours of 8am – 12pm or when shoppers are on the premises.

Please Note: These are only some of the required safety rules from the Board of Health and Truro Farmers Market Handbook. This document does not take the place of the Board of Health Conditions for Farmers Market Food Vendors but has been made to assist you in keeping the market as safe as possible. This list has been created by Sustainable CAPE to make it easy for vendors to check for the safety of their booth. The safety of each vendor's booth is fully the vendor's responsibility – please check these guidelines each week. Thank you for your efforts!

I, the undersigned VENDOR, agree to abide by the Truro Farmers' Market On-Site Safety Rules and Regulations:
